To Whom It May Concern:

JR & Co., Inc. is a valued client of our agency. JR & Co., Inc has an available bond program with American Safety Insurance Company (ASI). JR & Co has been a valued client of said surety for the past year. ASI is an A rated "Excellent" bond company. ASI has completed a letter, found in this packet stating they will underwrite jobs on a \$5MM single job and \$10MM aggregate bond program. Of the \$10MM almost 100% is available.

Please be aware that issuance of bonds is dependent on the surety underwriter's approval. This letter is not a guarantee of future bond approval as each project is underwritten individually. Should you have any questions, please do not hesitate to contact me.
